★ Parent Information Workshop

Meet the SENDIASS team and ask questions about the EHCP process, meet other parents and learn how SENDIASS may be able to support you and your child

This event is primarily targeted at parents, carers, and professionals responsible for children and young people. Richmond and Kingston Special Educational Needs and Disabilities Information, Advice and Support Service (SENDIASS) will be joining the Fabulous Friday Parents' Cafe at the Old Malden Family Hub, Lawrence Avenue, New Malden KT3 5NB on

Friday 20 November at 10.40 am.

Come along to meet one of their friendly support workers and find out more about the EHCP application process. SENDIASS will share helpful information, advice and resources to support families.

This is a great opportunity to ask questions and receive free, impartial SEND advice in person. We look forward to meeting you!

Please let us know if you would like to join and secure your cuppa, cake and chat by completing this **short form** or scanning the QR code on the **poster**.

★ **School Health Team Bedwetting Workshop**

Please see the flyer below for information about this parent workshop. They have advised that the next workshop is on 25/11/2026 so it is advisable to book as soon as possible.

Night-time Wetting Workshop for Parents and Carers

Are you looking for support to help your child achieve night-time dryness?

Wetting the bed at night is common,
and isn't because of parental failure, lack of willpower or laziness.

Join our workshop to help your child build confidence and achieve dry nights!

What the workshop includes:

- Why children wet the bed
- Normal development of continence
- How to help your child become dry at night
- Where to find helpful resources
- A chance to ask questions

Workshop details:

- Delivered online by an expert team of School Nurses
- 6 workshops a year
- Open to parents and carers of school aged children who attend a state funded school in Kingston or are home educated and live in Kingston

"It was easy to understand and included very useful practical things to try. I found the discussion about emotional impact helpful, and it was good to know I am not alone"
