

Dear Acorn Parents,

Please can we ask that you make sure your child has suncream with them, named sunhats and water bottles as the weather gets warmer? We intend to be outside in the playground and on the field this term and need to protect the children from the sun.

Please come and talk to a member of the Acorn team about sunsafety and your child, and the best way to make sure they have sun protection.

On another note, from the end of May we need your permission to take and publish photographs for the school websites. Permission forms will be issued in due course from Burlington Infants and Burlington Juniors and will cover your child both in school and in Acorns.

Best wishes,

Mrs P Utting and Mrs S Yay Walker
