

Burlington Schools' Parent Teacher's Association

...needs you!

On behalf of the **Burlington Schools' Parent Teacher's Association**, we warmly welcome you back to school for the academic term. The PTA are involved in raising additional funds for the school each year from a range of events. These items have been a huge benefit to the education delivered to Burlington children. This year, the juniors are looking to upgrade their sports equipment and are always updating the computing facilities.

We need your help to enrich our children's education and also have some family fun!

Without our volunteers, we wouldn't be able to put on the popular events that everyone enjoys and raise these all-important funds. Getting involved in events is also a good way to get to know other parents and learn some new skills. It can be a lot of fun too!

We need a wide range of skills, so if you enjoy catering, finance, art, general organisation or have fundraising ideas then get in touch and get involved! Even if it's just 30 minutes before an event or designing a poster all help is appreciated and you will have support from the rest of the team.

Please email Julie (jdickman@hotmail.co.uk) or complete the slip below with your details and put it in the PTA boxes in either infant or junior reception if you'd like to find out more about our PTA, how to get involved and what's planned for the year ahead.

We look forward to meeting you soon - please do help and support our schools in any way you can!

Thank you, Julie Hickman (chair of Burlington Schools' PTA)
