Dear Parents, Carers and children,

We are writing to let you know we are thinking of you all at this challenging time and miss you all very much.

The staff have been incredible and we can't thank them enough for coming into school to look after children of key workers as well as preparing learning for your children to do at home. Even ex-members of staff have been in touch to offer help in any way that they can, we really are a special community. If you are a key worker and have no way of looking after your children at home please do email the school.

It is early days regarding on-line learning – for you and us, but we are working on a variety of ways to add to the activities available on the website to keep the children active and interested. Please do try to keep the children in a routine if at all possible, it would be ideal if they could do some Maths and English 5 days a week plus one or two other subjects such as History, Geography or Science on a rotation. There are lots of on-line workouts available too so children can remain physically active.

If you have any concerns please do email the school confidentially at [parent@bjs.rbksch.org](mailto:parent@bjs.rbksch.org) and we will respond to you as soon as we can. This is also for families who may need particular support services at this time. Mrs Easty is happy to call or email any families who need advice, again just email the school and she will respond.

Whilst no one knows how long this situation will continue for, it is likely that plans for our Year 6 children in particular will look different this year.

For those children please rest assured we will find a way of celebrating their Primary school years somehow.

Please look after yourselves, take care and keep safe and we look forward to seeing you all back in the not too distant future. Please keep an eye on our website and parent school app for regular updates and information about on-line learning and ongoing developments in school.

With very best wishes,

*P. Utting*
