Our Vision:

Burlington Junior School inspires each individual child on their educational journey towards a lifelong love of learning and knowledge.

Our Mission:

Staff are committed to:

- Providing a broad and balanced curriculum that provides memorable learning experiences.
- Providing pupils with transferable knowledge, skills and understanding which they can utilise in later life.
- Creating a safe, caring environment where everyone is happy and can achieve.
- Working in partnership with our community to celebrate, respect and embrace our diversity.

1. Principles

We aim to promote pupils' spiritual, moral, social and cultural development, with special emphasis on promoting equality and diversity, and eradicating prejudicial incidents for pupils and staff. Our school is committed to not only eliminating discrimination, but also increasing understanding and appreciation for diversity.

Burlington Junior School is opposed to all forms of prejudice and recognises that children and young people who experience any form of prejudice-related discrimination may fare less well in the education system.

Under the Equality Act (2010), it is our duty to eliminate discrimination, to advance equality of opportunity and to foster good relations. We also have specific duties to publish information about our school population and to explain how we have due regard for equality. The school gathers information on the pupil population broken down by ethnicity and gender and about significant differences in attainment between girls and boys, and between pupils of different ethnic backgrounds. The school ensures that individual pupils cannot be identified (please see appendix 2 for more details).

Burlington Junior School endorses Achieving for Children's (AfC) commitment to race equality:

"We recognise and work to ensure that all must have an equal right to succeed and that there will be no tolerance of racism, stereotyping and low expectations. We assist schools to work towards a society where there is respect for all, regardless of their colour, religion or ethnicity and a society that celebrates its cultural richness and ethnic diversity. We do not tolerate any form of discrimination and expect all those who work, visit or who are associated with the school to share this vision".

3. Our Equality Objectives (set in September 2020)

Burlington Junior School is committed to promoting the welfare and equality of all of its staff, pupils and other members of the school community. To achieve this, the school has established the following objectives:

Objective 1: To establish a positive, inclusive and consistent behaviour policy around the principles of 'ready', 'respectful' and 'safe'. These principles will develop a greater understanding of what it means to be respectful and tolerant of others.

Objective 2: To monitor pupil progress and attainment in order to ensure that pupils in vulnerable groups achieve their potential. This will involve analysing assessment data and identifying underlying factors that affect imbalances of attainment in order to provide appropriate support.

Objective 3: To provide a variety of enrichment opportunities which give the opportunity for all children to become rounded individuals both physically and psychologically. This may include access to sports' clubs, extra-curricular activities, trips and visits, and multicultural weeks. Emotional support will be provided through a whole school approach to emotion coaching and zones of regulation.

The school will regularly review the steps being taken and the progress made towards the achievement of these objectives. In line with the specific duties of the PSED, we will update this information and publish it as part of this policy (see appendix 2 and 3) every year.

The school will update and publish its equality objectives at least every four years.

4. Protected characteristics

We will not discriminate against, harass or victimise a pupil, a prospective pupil, or their families, because of their:

- Sex.
- Race.
- Disability, which includes mental health, encompassing prejudiced assumptions, attitudes or behaviours related to mental health.
- Age.
- Religion or belief.
- Sexual orientation.
- Gender reassignment.
- Pregnancy or maternity.

We will regularly review our school practices to ensure that they are fair with regard to all the protected characteristics listed above.

5. Our Aims (in relation to the PSED and Equality Act)

Eradicating Discrimination

We believe that a greater level of success from pupils and staff can be achieved by realising the uniqueness of individuals. Creating a prejudice-free environment where individuals feel confident and at ease is a commitment of the school. This environment will be achieved by:

- Being respectful and tolerant of others.
- Consistently implementing our school behaviour policy² and ensuring that all forms of bullying or prejudice-related incidents are recorded, challenged and addressed.
- Always treating all members of the school community fairly.
- Developing an understanding of diversity and the benefits it can have.
- Adopting an inclusive attitude.
- Ensuring that our curriculum is inclusive and accessible to all³.
- Explicitly teaching pupils about heritage and identity throughout the school's curriculum as core curriculum concepts.
- Nurturing the identity of all pupils, especially those from ethnic minorities, so that they feel their culture and origins are valued e.g., marking and/or informing the school community of religious festival days.
- Encouraging compassion and open-mindedness.

³ Please see the SEND Information Report and Accessibility Plan on our website:

<https://www.burlingtonj.kingston.sch.uk/page/?title=Special+Educational+Needs+and+Disability&pid=45>

- Exploring with pupils (at the appropriate level) issues of racism and equality in a range of PSHE contexts, including promoting justice and challenging injustice, and providing positive images and role models in resources and displays which reflect the experiences and background of all pupils in our multicultural society.
- Critically examining resources in the school to ensure that stereotyped images and viewpoints are not being perpetuated.
- Ensuring we have a fair admissions policy for pupils.

We are committed to having a balanced and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding, to help ensure that pupils learn to become more accepting and inclusive of others⁴. Challenging and controversial concepts will be delivered in a way that prevents discrimination and promotes inclusive attitudes. We will also respect the right of parents to withdraw their children from certain classes which pose conflicts to their own beliefs.

Our pupils are taught to be:

- Understanding of others.
- Celebratory of cultural diversity.
- Eager to reach their full potential.
- Inclusive.
- Aware of what constitutes discriminatory behaviour.

Fostering good relationships across characteristics

Fostering and promoting good relations between people and groups of all kinds is at the heart of our school community. As a multicultural school, we recognise the importance of ensuring that we promote tolerance and friendship amongst groups of people in order to avoid any prejudice-related incidents occurring.

We achieve this by:

- Ensuring that all stakeholders are aware of our behaviour policy principles which encourage pupils to be ready, respectful and safe⁵.
- Explicitly teaching pupils about equality and community throughout the school's curriculum as core curriculum concepts.
- Ensuring that equality and diversity are embedded in the curriculum and in assemblies, e.g. through school council elections, anti-bullying week activities, through class reflections and school assemblies.
- Providing enrichment opportunities, e.g. visits to religious buildings, utilising specialist teachers in music and sports, planning a variety of external trips that extend an understanding of positive role models and past events.

⁵ <https://www.burlingtonj.kingston.sch.uk/page/?title=Non+Curriculum+Policies&pid=24>

- Hosting parent forums⁶ to enable parents to share their views of the school and engage with school leaders about their experiences.
- Inviting parents to engage with school life through special events, such as 'bring a male/female relative to school', coffee 'catch-ups' before class assemblies and PTA fairs.
- Ensuring each class has a parent representative⁷ who is able to support parents by communicating key messages from school and sharing parental concerns with class teachers;
- Building positive links with community groups and using support agencies to ensure that the multi-cultural dimension to the curriculum is fully developed.

Ensuring equality of opportunity

As set out in the DfE guidance on the Equality Act⁸, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying);
- Taking steps to meet the particular needs of people who have a particular characteristic;
- Encouraging people who have a particular characteristic to participate fully in any activity (e.g. encouraging all pupils to be involved in the full range of school societies).

In fulfilling this aspect of the duty, the school will:

- Monitor pupil achievement with reference to racial, ethnic and cultural backgrounds (please see appendix 2);
- Monitor and analyse any incidents of bullying according to the protected characteristics in order to put support in place to ensure a reduction is seen in these incidents;
- Publish attainment data each academic year on our school website⁹ and through the Department for Education's 'Comparing School Performance'¹⁰ website showing how pupils with different characteristics are performing;
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and include this information in our school development plan;
- Make evidence available identifying improvements for specific groups to Governors i.e. in year assessment data;

- Encourage collaborative and cooperative approaches to learning and ensuring that pupils' cultural and linguistic experiences are reflected and built upon positively in the classroom;
- Enable Muslim pupils to pray at prescribed time in a designated space;
- Have high expectations of all pupils, ensuring that each pupil's individual learning and social needs are met.

6. Equal Opportunities

We see all learners and potential learners, and their families, as of equal value, regardless of any protected characteristic. Our policies, procedures and activities will not discriminate but must nevertheless take account of difference in life-experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

Race and Ethnicity

The school will promote race equality and have due regard to eliminating unlawful racial discrimination, promoting equality of opportunity and good relations between people of different racial groups. We will ensure that pupils of all races and ethnicities (including those who have EAL) are not singled out for different and less favourable treatment from that given to other pupils, regularly reviewing our school practices to ensure that they are fair. We will not segregate pupils on the basis of their race or ethnicity, understanding that claims of 'separate but equal' will not be tolerated, and that such actions will always be viewed as direct discrimination.

Disability

The school will promote disability equality, ensuring equality of opportunity, eliminating unlawful discrimination and disability-related harassment and encouraging participation by disabled people in public life. We will ensure that pupils with disabilities are not singled out or treated less favourably than other pupils simply because they have a disability, which includes any mental health issue, regularly reviewing our school practices to ensure they are fair. We will ensure that we do not discriminate against pupils with a disability by implementing a rule for all pupils that could have an adverse effect on pupils with disabilities only (for example, making physical fitness a basis for admission, or asking all pupils to deliver a presentation, as this could be unfair towards pupils with anxiety), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim. We will meet our duty to undertake accessibility planning for pupils with disabilities and ensure that an Accessibility Plan is implemented and reviewed where necessary.

Sex

For the purpose of this policy, sex refers to a person's biological assignment at birth depending on their reproductive organs. We will ensure that pupils of one sex are not singled out for different or less favourable treatment from that given to pupils of other sexes. There may be occasions where we deem it necessary to teach some subjects in single-sex classes, such as RSHE, but we will ensure that such classes do not give pupils an unfair disadvantage when compared to pupils of the other sex in other

classes. The school will promote equality by eliminating unlawful discrimination and harassment, and will promote the equality of opportunity between different sexes.

Religion and Belief

We will ensure that pupils are not singled out or treated less favourably because of their religion or belief, regularly reviewing our school practices to ensure that they are fair. We will ensure that pupils are provided with the appropriate space in which they can practice their faith, e.g. to perform their daily prayers. Absences in relation to religious observances will be handled in accordance with the school's Attendance Policy.

Sexual Orientation

We will ensure that all gay, lesbian and bi-sexual pupils, or the children of gay, lesbian or bi-sexual parents, are not singled out for different or less favourable treatment from that given to other pupils, regularly reviewing our school practices to ensure that they are fair. We will ensure that any religious beliefs with regards to sexual orientation are taught to pupils in an educational context, in a manner that is not prejudicial or discriminatory. RSE lessons will be taught in accordance with our Relationships and Sex Education Policy.

Gender Reassignment (transgender)

The Public Sector Equality Duty (PSED) explicitly covers Transgender people. For the purposes of this policy, the term 'transgender' refers to an individual whose gender expression or identity is different from that traditionally associated with the sex they were assigned at birth. We will ensure that pupils are not singled out or treated less favourably because they identify with a different gender, or have transgender parents and we will regularly check our school practices to ensure that they are fair. The school will respect the confidentiality of those seeking gender reassignment and will provide a supportive environment within the community.

Where a pupil informs school staff that they identify with another gender, we have the following aims in order to ensure equal opportunities and eradicate discrimination:

- We will take our lead from our pupils, and involve them in making decisions that will affect them.
- We will involve family members, with the acknowledgement of the pupil, in making decisions about their child.
- We will respect and use the pupil's new name, pronouns and title (and apologise for any mistakes made). Our records will be updated to reflect this.
- We will provide access to a range of appropriate toilets and changing facilities, recognising that trans people are entitled to use facilities of their self-identified gender.
- We will support all pupils and students to wear uniform and P.E. kit in line with their gender identity.
- We will ensure staff receive relevant and up-to-date guidance so that they are confident in supporting trans pupils (Allsorts Youth Project).
- We will provide support to a trans child, their siblings, and parents/carers.

Looked after children (LAC)

LAC, and previously LAC (PLAC), will be given the highest priority for admissions, as per the requirements of our Admissions Policy. We will ensure that pupils are not singled out or treated less favourably because they are looked after, or have previously been looked after, by the state. A personal education plan will be created, and implemented, for all LAC and PLAC, to ensure that their education and development needs are fully covered, including appropriate transition and catch-up support to ensure that they do not fall behind.

7. Addressing prejudice-related incidents

The school is opposed to all forms of prejudice. We will ensure that pupils and staff are aware of the impact of prejudice. We will identify, record and challenge all prejudiced incidents and bullying including that which is racist, sexist, homophobic and transphobic.

Our Behaviour Policy and Anti-bullying Policy¹¹ will be used in conjunction with this policy in order to prevent, and effectively deal with, any discriminatory incidents. When an incident is reported, through our thorough reporting procedure, our school is devoted to ensuring appropriate action is taken and a resolution is put into place which is both fair and firm. Please see appendix 1 for more details about our prejudice-related harassment procedure. The school will address any incidents immediately and, in the case of racist incidents, report them to the LA.

Any incidents of a child protection or safeguarding nature will be reported, recorded and dealt with in line with the process in our Safeguarding and Child Protection Policy¹². It is the responsibility of the headteacher to decide whether it is appropriate to notify social services, and/or the police, of any incident.

8. Complaints procedures

The school aims to resolve all complaints at the earliest possible stage and is dedicated to continuing to provide the highest quality of education possible throughout the procedure.

Any person, including a member of the public, is able to make a complaint about the provision of facilities or services that the school provides.

The school will adhere to the Complaints Policy¹³ to ensure a straightforward, impartial, non-adversarial process that allows a full and fair investigation, respects confidentiality and delivers an effective response and, appropriate redress.

¹¹ Please see our Behaviour and Anti-Bullying policies for further details - <https://www.burlingtonj.kingston.sch.uk/page/?title=Non+Curriculum+Policies&pid=24>

¹³ Please see our Complaints Policy for further details - <https://www.burlingtonj.kingston.sch.uk/page/?title=Non+Curriculum+Policies&pid=24>

If a complaint has completed the school's process and the complainant remains dissatisfied, they have the right to appeal, as outlined in the Complaints Policy.

9. Pupil Progress

Pupils' attainment and progress is monitored by ethnic group as well as by gender. Attainment and progress of individual pupils is tracked through the school (please see our Assessment Policy¹⁴). We value the achievements and progress of pupils from all vulnerable groups, including achievements outside the school setting.

Please refer to both appendix 3 for the percentage of pupils on roll within vulnerable groups and our school profile on the Department for Education's 'Comparing School Performance' website¹⁵.

10. Staffing

Recruitment and selection procedures are consistent with the Code of Practice in Employment. Everyone involved in recruitment and selection adheres to the schools' procedures. Our governors and senior leadership team regularly review our recruitment, selection and professional development procedures to ensure that discrimination does not take place.

11. Staff training

Staff will receive the appropriate equalities training that will:

- Focus on staff specialisms in relation to equality, for example, a focus on homophobic bullying to address a planned approach towards inclusion.
- Ensure all staff are aware of, and comply with, current equalities legislation and government recommendations.
- Ensure all staff are aware of their responsibilities and how they can support pupils with protected characteristics.
- Provide support for teachers to effectively manage any discrimination towards pupils with protected characteristics.
- Provide up-to-date information on the terms, concepts and current understandings relating to each of the protected characteristics.
- Develop appropriate strategies for communication between parents, educators and pupils about any issues related to a protected characteristic.
- Ensure that the school is aware of, and participates in, relevant awareness days, such as Black History Month, World Disability Day, Transgender Day of Remembrance, PRIDE, and International Women's Day

The Headteacher will notify the Governing Body and Achieving for Children through agreed procedures of incidents alleged to be racist.

Procedures for dealing with incidents

Pupil to pupil:

In dealing with perpetrators:

1. Explain the wrong done and complete a pupil reflection form.

2. Restorative justice between the pupils, if appropriate.
3. Inform and involve the senior leadership team. Agree the sanction.
4. Inform the parents and meet with them and discuss sanctions.

Member of staff to pupil:

1. The pupil and parents should be offered an interview with the Headteacher
2. The staff member concerned will be interviewed by a member of the management team, nominated by the Headteacher, and if appropriate, be accompanied by the staff member's union representative.
3. If there is clear evidence, the complaint should be followed up in accordance with the school's Disciplinary Procedures.
4. Where there is a complaint against the Headteacher, this should be raised with the Governing Body.

Pupil to member of staff:

1. If in a class situation, the child will be taken to see the Deputy Headteacher/Headteacher. The teacher may request the Headteacher or a senior teacher to collect the child from the class.
2. The Headteacher or another teacher will come and speak to the member of staff and cover organised if necessary.
3. The children (witnesses) then write down what happened.
4. Headteacher will speak with the member of staff and the child.
5. Parents will be contacted.
6. Counselling may be offered to the member of staff and support put in place for the child's return to the classroom within an appropriate timescale.

Staff member to staff member:

1. The aggrieved member of staff should immediately inform the Headteacher about the incident.
2. The Headteacher will institute immediate investigation into the incident.
3. A complaint for which there is prima facie evidence (strong evidence to suggest truth) will be pursued in exact accordance with the school's Disciplinary Procedures.
4. In the case of physical assault, if the Headteacher views the assault serious, then the police will be called.

Dealing with an incident in the classroom:

1. Stop everyone if the incident is related to the whole class, or if heard by others.
2. Seek an opinion or response from the class on the incident.
3. Support the victim.
4. Use the incident to demonstrate the unacceptability of such behaviour if the victim is confident.
5. Follow pupil to pupil procedure

If the incident takes place in a small group, record any response contained within that group. When possible, question the victim and the perpetrator - this should be done at the earliest possible convenience. Address the issue both separately and collectively.

In the case of all the above:

Record the incident and the action taken on CPOMs.

All procedures should be carried out with the aim not only of correcting the perpetrators but also of demonstrating support for the victims.

Appendix 2 - Equality Data and Information

Information on pupils by protected characteristics

The Equality Act 2010 protects people from discrimination on the basis of “protected characteristics”. Every person has several of the protected characteristics, so the Act protects everyone against unfair treatment. In order to ensure that all pupils are protected from discrimination, and to set our equality objectives, the school collects information on the following protected characteristics:

- Race, nationality or ethnicity;
- Disability (The Act defines disability as when a person has a ‘physical or mental impairment; which has a substantial and long term adverse effect on that person’s ability to carry out normal day to day activities’);
- Sex;
- Religion or belief.

The school monitors the different religious beliefs within the school community so that special events and learning about different religions is carried out within curriculum time and through the wider curriculum opportunities. Planning can be adapted if there are changes in the school community.

Age and Marriage/Civil Partnership are also protected characteristics. We do not collect data about this characteristic but it is important to recognise that equality protection needs to be extended to the children’s family and the wider community.

Additional protected characteristics are sexual orientation, pregnancy and maternity, and gender reassignment. We do not feel it is appropriate to collect information from pupils in relation to these protected characteristics. However, as a school, we are aware that there may be equality issues for pupils, their families and the wider community with regards to these characteristics.

Please refer to the Department for Education’s ‘Comparing School Performance’ website for more information about pupil progress¹⁶.

Information on other groups of pupils

In addition to pupils with protected characteristics, we gather further information on the following groups of pupils:

- Pupils eligible for Pupil Premium Grant;
- Pupils with Special Educational Needs and disabilities (SEND);
- Pupils with English as an Additional Language (EAL);
- Pupils with a Traveller heritage who are highly mobile but not from a minority ethnic group;
- Young carers;
- Looked after children (LAC);
- Other vulnerable groups such as Post LAC.

¹⁶ <https://www.compare-school-performance.service.gov.uk/school/102564/burlington-junior-school/primary>

It may be possible to identify individuals from the information provided when the number of pupils with a particular characteristic is low and the information is sensitive personal information. In these cases we have indicated this by an asterisk (*) and no percentage is published. Characteristics are based around the Census classifications and parents choose groups to which they, or their children, belong. Where no data is provided, this is due to no pupils currently representing the race, ethnicity or religious group.

The school monitors the different religious beliefs within the school community so that special events and learning about different religions is carried out within curriculum time and through the wider curriculum opportunities. Planning can be adapted if there are changes in the school community.

Looked After Children and Young Carers

This information is held by the Family Liaison Officer within the pupil information records.

At Burlington Junior School, we aim to ensure that any gap in attainment for pupils within any of the identified groups is diminished. This is achieved through rigorous tracking and monitoring of individuals, as well as groups of children, concerning their progress and attainment. We also provide equal opportunities for all pupils to access the curriculum.

Showing Due Regard to Equality Issues

The Equality Act 2010 requires us to show due regard to equality issues when we make significant decisions or changes in our policies or procedures. This means we need to consider what the impact of those decisions or policies will be on pupils and staff with protected characteristics before a decision is made or a policy is finalised.

We are committed to working for equality for all our staff, parents/carers and children to meet our duties under the Equality Act 2010.

Appendix 3 – Public Sector Equality Duty **Evaluation of Current Provision** **2020 – 2021**

Schools are required to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to prepare and publish equality objectives. This information must be updated annually and objectives ([seen earlier in the policy](#)) should be reviewed and published at least once every four years.

The information below demonstrates how we have shown 'due regard' to the Equality Act 2010 and the Public Sector Equality Duty. [Our aims](#) are stated earlier in the policy. We are committed to working for equality for all our staff, parents/carers and children to meet our duties under the Equality Act 2010.

Eradicating Discrimination

- Our new behaviour policy was introduced across the school in September 2020 and is based around the principles 'ready', 'respectful' and 'safe'.
- Anti-bullying policy reviewed and updated in line with our behaviour policy.
- All prejudice-related incidents are now able to be recorded on CPOMs and categorised according to the prejudice involved.
- 'Equality', 'Community', 'Heritage' and 'Identity' have been introduced as Burlington Buzz Words – core concepts which pupils encounter across year groups and subject areas whilst at Burlington Junior School. There are multiple opportunities to revisit these words and how their meanings apply to our community.
- New resources have been made available as part of Jigsaw's PSHE curriculum to ensure that diverse images of people are utilised.
- The P.E. curriculum has been developed to include key sporting figures. Due regard was given to the protected characteristics when selecting these figures.
- An equality review of images used in teaching slides highlighted a need to diversify.
- The R.E. curriculum ensures children celebrate diversity and show respect for all faiths. Children recognise that their own views are important, whether they have a specific faith or not.
- All incidents of bullying or racism are dealt with promptly and appropriately in line with our policies.
- When purchasing books for our new school library, subject leaders researched book titles which were reflective of a variety of authors.

Fostering Good Relationships

- The curriculum provides rich learning opportunities for all children, imparting knowledge and building intellectual curiosity.
- Our behaviour policy was shared with parents, governors and pupils.
- During 2020-2021, Covid-19 stopped some enrichment activities and trips from taking place. Where appropriate, videos were used to share experiences of others. Enrichment through trips and visits should resume in 2021-2022.
- Due to Covid-19, we were unable to hold any parent/community events in school. We ensured that parents' evening was able to take place virtually and created a virtual tour.

- During lockdown, constant contact was made with Class Parent Reps to evaluate the service we were providing. A virtual Parent Forum meeting was held in March to evaluate the provision and take on valuable feedback on how to improve.

Advancing Equality of Opportunity

- Governors continue to play an active role in ensuring policies provide equality of opportunity through regular monitoring and discussion of school practice.
- Children identified with Special Educational Needs and disabilities (SEND) are provided with highly personalised activities to ensure access towards learning and appropriate external advice and support that ensures access to social inclusion and learning.
- Where needed, resources are printed in a larger font size to support pupils with a visual impairment. Technology is utilised to enable access to teaching slides shared at the front of the classroom.
- Tracking of pupil progress ensures that all groups of children are monitored and appropriate provision is put in place where necessary e.g. financial access to clubs, uniform, resources and enrichments.
- Children with medical disabilities are identified and individual health care plans are devised between school and the family, to enable access to the curriculum and safe inclusion to all enrichments and where necessary, specific staff training is provided.
- All children have an opportunity for a leadership role within the school, e.g. elected school councillors, Eco Champions and house captains.
