Friday 30th June 2023

Dear Year 3 Parents,

New Classes

We are pleased to inform you that the classes for next year have now been decided. Attached to this letter is a list of the new classes for Year 4. We have several sets of twins in this year group and know that, in some cases, they are not in next door classrooms. If this is the case we will ask one twin to join their sibling at the end of the day so a parent can pick up in one place. In the same way a parent can drop twins off each morning at one classroom door and they can make their way to their classroom through the year 4 area.

Please be reassured we have spent many weeks sorting through the list; balancing boy/girl numbers, children who need additional support and friendship requests. We have also taught the children in their new classes to make sure we have got a good balance.

It is never easy mixing a year group - some children will be pleased about their new class and others less so. Every child has at least one friend that they asked for, so we do hope this is seen as a positive move to make new friends whilst still seeing 'old' friends at playtimes.

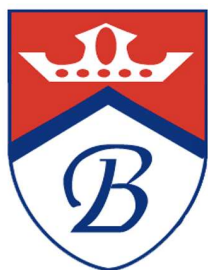

The children will meet their new class during the school day on Thursday 13th July from 9.00-10.45am. We then close at 2pm that day and parents are invited to look at their child's books and meet the new teacher. Please note - Tesla is a job share between Miss Duncombe (3 days a week Tesla teacher, 2 days a week Assistant SENCO) and Mrs Harvey (2 days a week) and both teachers will be available on the 13th to meet you.

You can also use this time to say goodbye to your child's current class teacher and ask anything about the end of year report which you will receive on Friday 14th July.
