

# Year 3

Have a go at the challenges listed below by the time you leave Year 3. Ask your grown ups at home to sign the box to show that you have completed the challenge. Share your achievements with your class teacher: you could take a photograph, share information on Google Classroom or show them what you produced.

You will receive 1 dojo point for each task you complete. When you complete all of the challenges, you will receive recognition from Mrs Utting and your name will appear in our school newsletter.
