

School council meeting 15.11.23 - Meeting to look at new play equipment

29/32 councillors present

The school council were shown a range of play equipment on a google slide for the new building and asked for their views and thoughts. They selected a range of equipment that they liked.

Children were given a choice of a range of equipment and told that in past surveys pupils had always expressed a desire for slides and zip lines.

1. Cable way 24/ 29 82% liked this. Some expressed some reservations about safety and the only one person at a time could use it.
2. Slides on the mound 17/29 59% liked these and particularly liked it on the mounds

Children were give a choice of ball based stand

3. Basket ball hoops 18/29 liked these 62% Many felt basketball was more popular
4. Fun ball 4/29 13% liked these

Children were given a range of choice of different climbing frames.

5. Snowden & Ben Nevis climbing frames 16/ 29 50% liked these as they felt it was good to have two frames so more children could access this
6. Pick up Stick frame 12/29 41 % liked this one
