Dear Parents/Guardians,

Re: Medication administration in school

If your child has a medical condition, which requires the administration of medicines (including asthma inhalers and Adrenaline Auto Injectors (AAIs)) at school, please complete the following form and bring it to school with the medication.

On the first morning back, Wednesday 4th September, there will be a desk in the front playground for you to drop off your child's medication and completed medical form. **We need all medication in school for the first day of term.**

Please be reminded that all medicines have to be in their original box/packaging clearly stating your child's name.

Please do not hesitate to contact the school office if you have any questions

Best wishes

School Office Team

MEDICATION ADMINISTRATION IN SCHOOL

Name of pupil	
Class	
Parent name & contact number	
Reason for medication to be in school including medical diagnosis	
Name of medication	
Dosage	
Time to be administered	
Self-administration Y/N	
Procedures to be taken in an emergency	
Start date	
End date	

Please note that Calpol and Nurofen can be kept in the office for your child but we will not call them for it. We will only remind those children with antibiotics.

The staff will not be held liable for missed medication.
