### ★ Medication

Your child's medication will be sent home with them on Friday. Over the holidays a new medication form will be sent out. If your child has regular medication in school

including inhalers and EpiPens please submit the new form before school starts so we know what to expect. On the morning of the 7th September there will be a desk by the park gate for you to hand in your medication and any associated care plans. We **must** have this for the first day of school.

★ **Year 6 Exit Parent Survey**

We would be very grateful if you could complete this survey. Thank you.

★ **Gold Award - Attachment Aware Award**

We are delighted to announce that our school has achieved the Attachment Aware Schools **Gold** Award in recognition of our commitment to creating a nurturing, inclusive and supportive environment for every child. This prestigious award celebrates the dedication of our staff in building positive relationships, promoting emotional well-being and ensuring all our pupils feel safe, valued and ready to learn. We have worked hard in developing our relational approach to behaviour, using emotion coaching, applying the zones of regulation within the whole school, providing calm areas and supporting children to learn to regulate and teaching children to repair with restorative conversations. We would like to thank our whole school community for supporting us on this journey.

★ **End of year absence**

If your child is absent due to illness from school over the last three days before we break for the summer, you will need to come into the school office to complete an absence form in person, or present medical evidence. This is laid out in our Attendance Policy which can be found below.

★ **Keeping children and families safe and healthy on holiday**

With the summer holidays fast approaching, the UK Health Security Agency has put together some [health information](#) for those families planning to travel abroad this summer. The measures outlined can help protect you and your family and reduce the risk of illness while travelling.
