Friday 4th September 2026

Dear Parents and Carers,

We hope you have all had an enjoyable summer. The weather in the UK has been fantastic! We are really looking forward to seeing you and your child/ren on Monday 7th September at 8.45am. Please see our 2026/7 dates [here](#) and our Autumn date card [here](#). There are a few points below to help make the start of the academic year a success.

- The children all visited their new classes before the end of term but may have forgotten the exact location during the summer. Please don't worry. Lots of staff will be on duty on Monday morning wearing high visibility vests.
- Can we ask that any holiday jewellery is removed and hair is tied back. Earrings should just be plain stud types and nothing that dangles on or below the ear lobe. Children should be in the correct school uniform and bring their PE kit with them to put in their locker space.
- Our office staff will be at a desk on the main playground (in front of the Sports Hall) to collect any medications, please bring these in a labelled bag. This is for all of the children from Y3-Y6. Please note, if your child is starting the school year with mobility issues due to a broken limb ie in a wheel chair or on crutches, please call us or email us to let us know.
- Do ask any of our staff if you are not sure where to stand or wait or collect.
- Can children please have a thin rain or outdoor jacket for playtimes? We go outside to play in all weather now so children need to have something to wear if it is raining.

We have included a brief building plan to show you the location of the different classrooms.

Next week teachers will ask children to put themselves forward for a school council position and, in Year 6, for a House Captain role. Your child may want to prepare a short speech for this if they would like to be considered.

Finally, please remember no child should bring a smart phone to school. If they do have a simple phone it will need to be given to their class teacher each day. We are also asking all parents to put their phones away when they are on the school site unless specifically invited to use them, i.e. in a class assembly. Thank you for greeting your child with a smile, not a phone.

Yours faithfully,

Mrs Pip Utting
