★ **Lunchtime Reminder**

Please could you remind your child to listen out for their class to be called at lunchtime. Occasionally, children can miss their lunch if they don't hear their class being called. Once lunchtime is over and the children have returned to class, the kitchen closes.

A gentle reminder at home would be much appreciated and will help to ensure that everyone gets the opportunity to have their lunch.

PRESENTED BY JAMES FRASER

BURLINGTON JUNIOR SCHOOL

The digital world is an ever developing and changing landscape. Children growing up in modern society have greater access to information, communication and creative tools than ever before. This brings many positives and opportunities for advancements, but it is important that as adults we keep an awareness of online risks, how to best mitigate these and manage conversations around the online world with our children.

We welcome all parents and carers to join us at **9:00am on Friday 16th October 2026** for this special online safety focused session, presented by experts from eduthing. We will look to provide practical advice and tips to help parents and carers manage their children's time online and make it as safe and enjoyable as possible.

THE SESSION WILL TOUCH ON THE FOLLOWING AREAS:

- Online Safety and AI Awareness
- Key Online Safety Principles for Children
- Practical Tips for Privacy Settings and Controls
- Support for Conversations around Online Safety
- Accessing Additional Support & Resources
